Country Coach Names Damon Rapozo 2003 Salesperson of the Year

Junction City, Oregon -- Country Coach announces Damon Rapozo of Guaranty RV Centers as 2003 Salesperson of the year, marking the third consecutive year Damon has garnered this title.

Damon, who brings a background of technical knowledge to his sales position, has been serving RV enthusiasts for 16 years. A Country Coach specialist for the past 8 years, Damon works out of Guaranty RV Center's Junction City facility. Customers may meet Damon online in a Country Coach Yahoo Group or other sites where RV owners exchange. It isn't uncommon to find him sharing informative technical information or answering questions online.

"Damon is an extremely knowledgeable and qualified member of our team", notes Country Coach Regional Sales Manager, Louie Courtemanche. "He has a casual way about him that puts his customers at ease. They know they are in good hands with Damon." This sentiment is further reinforced by some of Damon's high profile customers including Drag Racing King, Kenny Bernstein.

When notified of his 2003 title, Damon responded, "I feel very fortunate to do something I truly enjoy. Having the opportunity to meet so many great people and helping them realize their dreams by matching them up with the right Motorcoach hardly seems like work. I enjoy learning as much as I can about all aspects of the product - particularly with a product I truly believe in such as Country Coach."
