## Country Coach Names Damon Rapozo 2006 Salesperson of the Year

**March 07, 2007, Junction City, Oregon:**

Country Coach, a highline diesel motorcoach builder celebrating its 34<sup>th</sup> year of luxury motorcoach manufacturing excellence, has announced Damon Rapozo of Guaranty RV Centers as 2006 Salesperson of the year, marking the sixth consecutive year Damon has earned this title.

Damon, who brings a background of technical knowledge to his sales position, has been serving RV enthusiasts for more than 19 years. A Country Coach specialist for the past 11 years, Damon works out of Guaranty RV Center's Junction City facility. Customers may meet Damon online in a Country Coach Yahoo Group or other sites where RV owners exchange information. It isn't uncommon to find him sharing valuable technical information or answering questions online.

"Damon is extremely knowledgeable and professional" notes Country Coach Regional Sales Manager, Louie Courtemanche. "He has a casual way about him that puts his customers at ease. They know they are in good hands with Damon during and after the sale."

When informed of his 2006 title, Damon responded, "When I moved to Oregon several years ago, it was to be close to the Country Coach factory. Here, I am best positioned to provide long term customer service before, during, and long after the sale. Without it, you (my customers) would not be satisfied and I would not be in the position to accept this prestigious award once again from Country Coach. I look forward to seeing you at a future rally or during a visit to the factory."
